“Working for a Cleaner Environment”

**FORM F:     APPLICATION FOR INDUSTRIAL SEWER CONNECTION**

**SITE PLAN:     COMMERCIAL OR INDUSTRIAL**

**PURPOSE:**     This two-part application and supporting data specifying the engineering details of the proposed project will be analyzed for compliance with Authority’s engineering standards, Sewer Use Rules & Regulations, wastewater treatability provisions for orderly growth.

**Part 1** approval is for the connecting sanitary sewer and building lateral, including manholes and metering facilities.

**Part 2** approval is for the building plumbing, processes and connections and this data and engineer’s report is used to determine if pretreatment is necessary. No wastewater can be discharged until the LTMUA Board approves Form F Part 2. If a Service Agreement is required no wastewater can be discharged until the service agreement is signed.

**APPLICATION FEES:** See Schedule 10 of the Rate Schedule, available from the Authority.

**PROFESSIONAL FEES:** See Schedule 10 of the Rate Schedule, available from the Authority.

**1. APPLICANT**

Address: \_\_\_\_\_

Phone: \_\_\_\_\_

**5. SUPPORTING DATA REQUIRED**

(See Section 4.8.1 of "Sewer Use Rules and Regulations")

- A. Provide three (3) sets of drawings, reports, and other pertinent data. If additional data is required after the initial review, the applicant will be contacted to submit same.

**6. INDUSTRIAL WASTE AGREEMENT (If required)**

The undersigned being the \_\_\_\_\_ of the property located at \_\_\_\_\_  
(Owner, leaser, tenant, etc.) \_\_\_\_\_ does hereby request a

permit to \_\_\_\_\_ an industrial sewer connection serving \_\_\_\_\_  
(install, use) (Name of Company)

which is engaged in \_\_\_\_\_ at the said location.

- A. A plan of the property showing accurately all internal plumbing, sewer, and drains now existing is attached hereunto as Exhibit "A".
- B. Plans and specifications covering any work proposed to be performed under this application are attached hereunto as Exhibit "B".
- C. A complete schedule of all process waters and industrial wastes produced or expected to be produced at said property, including a description of the character of each waste, the daily volume, maximum rates of discharge and representative analysis is attached hereunto as Exhibit "C".
- D. The name and address of the person or firm who will perform the work covered by this application is

\_\_\_\_\_  
\_\_\_\_\_

In consideration of reviewing this application, the undersigned agrees:

- A. To furnish any additional information relating to the installation or use of the commercial or industrial sewer for which this application is made as requested by the Authority.
- B. To operate and maintain any waste pretreatment facilities, as may be required, as a condition of the acceptance into the public sewer of the industrial wastes involved, in an efficient manner at all times, at no expense to the Authority.
- C. To cooperate at all times with the Superintendent and his representatives in their inspecting, sampling, and study of the industrial wastes, and any facilities provided for pretreatment.
- D. To notify the Superintendent immediately in the event that occasions discharge to the public sewers of any waste process waters not covered by this application or in the excess of the discharge levels listed in the Authority "Sewer Use Rules and Regulations".
